**BROMLEY HALL RATE GUARANTEE – 2012-2013**

We know that the cost of Room and Board is a major portion of a college education. Being able to budget for that expense is a serious consideration year after year, and we are taking the uncertainty out for the students that live at Bromley Hall. We are pleased to announce that Bromley Hall will continue the special rates program for next year.

***Residents at Bromley Hall for the Academic Year 2012-13 automatically qualify for our “Bromley Rate Guarantee”. Your Academic Year 2012-13 Room and Board rates are now guaranteed to be the same for the next four years if you choose to return to Bromley Hall.***

If you have a valid contract to live at Bromley Hall for 2012-13 and you are a resident in good standing, you do not have to do anything further to qualify for this guarantee. When the time comes for you to decide on where you are going to live in future years, you can count on your Bromley Hall 2012-13 Room and Board rates to be the same each year. The decision will be entirely yours to make.

It is our hope that our rate guarantee helps ease some of the financial concerns that you and your family face as you plan for college next year and beyond. We look forward to having you live with us at Bromley Hall.

Sincerely,

Edward C. Coyne  
Vice President and General Manager
